

Anexo 2

Convocatorias transnacionales 2019 de Proyectos de programación conjunta internacional

Nombre de la iniciativa (Acrónimo)	Modalidad de convocatoria	Tema de la convocatorias	Web
Active and Assisted Living Programme (AAL)	Convocatoria de proyectos de 3 años cofinanciada	Sustainable Smart Solutions for Ageing Well (3 year collaborative projects)	http://www.aal-europe.eu/
Active and Assisted Living Programme (AAL)	Convocatoria de proyectos de 1 año cofinanciada	Sustainable Smart Solutions for Ageing Well (1 year collaborative projects)	http://www.aal-europe.eu/
ERA-Net cofund in Personalized Medicine (ERAPerMed)	Convocatoria de proyectos de 3 años	PERSONALISED MEDICINE: MULTIDISCIPLINARY RESEARCH TOWARDS IMPLEMENTATION	http://www.era-permed.eu/
ERA-NET cofund: Systems medicine to address clinical needs (ERACoSysMed)	Convocatoria de proyectos de 3 años	Implementation of the 3 rd Joint Transnational Call for European Research Projects on Systems Medicine	https://www.era-cosysmed.eu/
Interest Group of the European Union and Community of Latin American and Caribbean countries (EU-CELAC IG)	Convocatoria de proyectos de 3 años	Infectious diseases	https://www.eucelac-platform.eu/
Joint Programming Initiative on Antimicrobial Resistance Research (JPI-EC-AMR)	Convocatoria de proyectos de 3 años	Diagnostics and surveillance of AMR	http://www.jpiamr.eu/
		<hr style="width: 50%; margin: auto;"/>	
European Research Area Network on Cardiovascular Diseases (ERA-CVD)	Convocatoria de proyectos de 3 años	Transnational Cardiovascular Research Projects driven by Early Career Scientists	http://www.era-cvd.eu/
National Science Foundation (NSF, United States of America), la Agencia Estatal de Investigación (AEI, Spain), and el Instituto de Salud Carlos III (ISCIII, Spain) for Collaboration in Computational Neuroscience (CRCNS)	Convocatoria de proyectos de 3 años	Collaborative Research in Computational Neuroscience: Innovative Approaches to Science and Engineering Research on Brain Function	http://www.nsf.gov/publications/pub_summ.jsp?ods_key=pappg/

FLAG-ERA III – The Flagship ERA-NET cofund	Convocatoria de proyectos de 3 años cofinanciada	Joint Transnational Call 2019 for research projects in synergy with the FET Flagships Human Brain Project (HBP)	https://www.flagera.eu/
The Network of European Funding for Neuroscience Research (NEURON Cofund)	Convocatoria de proyectos de 3 años	Multinational research projects on translational research projects on biomarkers in brain disorders	http://www.neuron-eranet.eu/
ERA-Net Cofund action to support the Joint Programming in Neurodegenerative Diseases strategic plan (JPco-fuND-2)	Convocatoria de proyectos de 3 años cofinanciada	Multinational research projects on Personalised Medicine for neurodegenerative diseases	http://www.neurodegenerationresearch.eu/
European Joint Program cofund on Rare Diseases (EJP RD)	Convocatoria de proyectos de 3 años cofinanciada	Transnational research projects to accelerate diagnosis and/or explore disease progression and mechanisms of rare diseases”	http://www.erare.eu/
Joint Programming Initiative "A Healthy Diet for Healthy Life" ERA-Net cofund on Intestinal Microbiomics (ERAHDHL INTIMIC)	Convocatoria de proyectos de 3 años	Overweight and Related Metabolic Disease: Consumer, Food Production and Mechanistic Aspects	http://www.healthydietforhealthylife.eu/
Joint Programming Initiative "A Healthy Diet for Healthy Life" ERA-Net cofund on Intestinal Microbiomics (ERAHDHL INTIMICJPI HDHL)	Convocatoria de redes de 1 año	Knowledge Platform on Food, Diet, Intestinal Microbiomics and Human Health	http://www.healthydietforhealthylife.eu/
European Network for translational collaborative RTD projects on Nanomedicine (EuroNanoMed)	Convocatoria de proyectos de 3 años	European Innovative research & technological development projects in Nanomedicine	http://www.euronanomed.net/
Programa Iberoamericano de Ciencia Y Tecnología para el Desarrollo (CYTED)	Convocatoria de proyectos de 3 años	Investigación en enfermedades ND en Iberoamérica, con énfasis en el desarrollo de Tecnologías para Prevención, Diagnóstico y Tratamiento	http://www.cytcd.org/
