

IKERBASQUE RESEARCH FELLOWS CALL 2015 for postdoctoral researchers

Ikerbasque offers **15 contract positions** for postdoctoral researchers, within any of the [Basque Research Institution](#) (Universities, BERC - Basque Excellence Research Centres, CIC – Cooperative Research Centres, Biomedical institutions and Technology Corporations, among others). Find also specific information about some [Research Groups](#).

These Fellowships are directed to promising young researchers; they are intended to offer a track towards a PI role and independent research. During the initial years of the Fellowships, the research outcome of host research groups should be increased with fellow's work and he/she should be able to acquire the necessary skills for a research leader role.

The evaluation committee will only consider strongest candidates with excellent leadership capabilities and an outstanding research record.

Applications from women are especially welcomed. The eligibility period is extended under special circumstances such as maternity or long-term illness.

Candidates can only apply to one of the annual Ikerbasque calls, Research Professors or Research Fellows.

MAIN CHANGES FROM PREVIOUS CALLS

- These positions are financed by Basque Government, European Commission and Host institution where the researcher will develop his/her research.
- Host Institution covers 40% of the budget.
- Candidates are now responsible for contacting their referees so the letters are uploaded by deadline.
- Any time a new referee is added to the application, a URL will be automatically generated. The candidate must send it to the referee, so he/she can upload his/her reference letter.
